# /// GROWING IN WORD, DEED, AND COMMUNITY

**PASTOR BRIAN & CHERYL  
BRODERSEN**

2017 was eventful as the Lord continued an amazing work in and through our Calvary Chapel Costa Mesa family. The year started with weeklong prayer and ended with a service recognizing our CCCM missionaries, as author Patrick Johnstone brought an impassioned message on God's sovereignty over the nations. In between the two events, you were there as we celebrated Easter, graduations, baptisms, and as we walked through the Pentateuch, Galatians, the Gospels, and the Book of Acts.

We saw Community Groups launched in 2016 increase and grow; countless lives impacted by the truth of the Gospel; and more and more people within the church exercising their gifts in various volunteer roles at CCCM.

We are thankful for the past year and grateful for your part in building His kingdom. Please take a moment to look back at your church in 2017 as we look forward to all the Lord has in store for the New Year.
