## “Blessing Bags” Ministry 2018

---

**The Red Wagon Ministry** goes out to the street & homeless community in Santa Ana with Blessing Bags, which are 1 Gallon plastic Ziploc/Freezer type bags from Smart & Final or Walmart which is cheaper brand, 80 bags quantity in their box. We make 70 Bags each week to hand out to homeless. We also minister to the people out on the street by sharing the Gospel & taking prayer request's for their spiritual needs. We also post the homeless prayer requests needs to our Red Wagon, Bread of Life & Scripture Ministry saints who follow up & pray over their prayer request needs.
